

The more
stars the more
energy efficient

The label features a semi-circular top with a red background and white stars. The stars are arranged in a semi-circle, with the number of stars indicating the energy efficiency rating. The text 'The more stars the more energy efficient' is written in black on a white background within the semi-circle. Below the semi-circle is a black rectangular band with the words 'ENERGY RATING' in large white capital letters and a registered trademark symbol. The main body of the label is yellow. It contains the text 'A joint government and industry program' in black, 'CHiQ clothes washer Model WFL58SG I' in red, and 'Load capacity 6.0 kg' in red. A white rectangular box in the center contains the text 'Energy consumption' in black, 'Warm wash' in white on a red background, '221' in large white numbers on a red background, 'kWh per year' in black, and 'using Cotton, 40 °C, 1200 rpm seven times per week' in red. Below this box is 'Program Time' in red and '405 min' in white on a red background. At the bottom is a black band with the text 'Compare models at www.energyrating.gov.au' in white.

ENERGY RATING[®]

A joint government and industry program

CHiQ clothes washer Model WFL58SG I

Load capacity 6.0 kg

Energy consumption

Warm wash

221

kWh per year

using Cotton, 40 °C, 1200 rpm seven
times per week

Program Time 405 min

When tested in accordance with AS/NZS 2040.2.

Actual energy use and running costs will depend on how you use the appliance.
