Deep cleaning of laundry with food grade sterilization to safeguard your family health.

SPECIFICATIONS

CHiQ Model	WFL60SW1	-----	-----
Total capacity	6 kg	Installation type	Free standing base
Maximum spin speed	1200 RPM	Supply	
MEPS (star)	4	Voltage (V)	220-240
WELS (star)	4	Frequency (Hz)	50
Cabinet Colour	White	Rated input power (Watt)	2000
Display Colour	White	Maximum water temperature	85°C
Product Dimensions (WxHxD) mm	600 x 850 x 465	Drain hose	1.5 m
Packing Dimensions (WxHxD) mm	650 x 888 x 510	Water inlet pipe length (m)	1.5 m
Net Weight (kg)	50		
Gross Weight (kg)	54		
Display	LED		
Tub / Drum material	Plastic / Stainless steel		
Door	480mm tempered glass		
Loading diameter size	330mm		
Control Type	Digital		
EAN Code	6937555217062		

FEATURES

Confirm Start Button
Motor type Inverter
Steam wash
Smart programs
Delay start
Child lock
Fuzzy logic function
Failure detection system
Nano anti-bacterial door seal

Warranty

Washing Machine 3 years
Motor 10 years parts warranty
(* 3 Years parts & labour +
7 years on Motor
- parts only).
