ENERGY RATING**

Hybrid Fridge / Freezer | Switch between preset refrigerator and freezer temperature settings with a simple touch.

Inverter System | The CHiQ super-efficient inverter system runs more consistently and at controlled speeds, which maintains a constant temperature to keep your food fresher. The compressor uses significantly less energy and is also quieter than traditional compressors.

Electronic Control | The LED digital temperature display and electronic controls ensures the optimum control and allows for seamless setting adjustments for different modes.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide a better internal view of your contents.

Plastic Hanging Basket | Keeps smaller items organised and easy to access.

Child Lock | Touch Control Child Lock prevents accidental setting changes on the Freezer's control panel.

6 STAR Energy Rating | CHiQ new frequency electronic control Hybrid Chest Freezer, with 6 star energy rating, low noise, fast freeze and more stable temperature, is your smart choice for everyday family needs.
