

CBM251W

CHI Q

251L Bottom Mount

Features

Frost Free

No ice build up which means no need to manually defrost.

Reversible Doors

Allow left or right hand opening. You can decide what best suits your kitchen.

Multi Air Flow System

Ensures chilled air reaches each shelf quickly and uniformly to allow the food to stay crisp longer.

Tempered Glass Shelves

Elegant in appearance, safe to use and easy to clean. With plenty of wall brackets, this product offers adjustable shelving heights to allow maximum use of the storage.

Crisper with Glass Cover

Keeps produce chilled and prevents bacteria diffusion.
