CHI Q

3 YEARS IN-HOME SERVICE WARRANTY

10 YEARS WARRANTY ON COMPRESSOR (PARTS ONLY)

Features

Inverter System

The CHI Q super-efficient inverter system is quieter than traditional compressors, keeps your food fresher and saves on energy consumption.

Multi Air Flow System

The CHI Q Multi Air Flow System ensures chilled air reaches each shelf quickly and uniformly to ensure your food stays fresh for longer. Also the unique design of the up turned air ducts avoids the chilled air drying out your food.

LED Display with Touch Control

The LED digital temperature display and electronic controls ensures the optimum control of each zone and can be easily set into different modes according to the actual requirements.

LECO Refreshing System

Abnormal odours and microorganisms are dissolved by the CHI Q LECO System which also discharges natural CO₂ & H₂O material to actively eliminate bacteria.

Super Freezing function

Quick freezing seals the freshness of the stored items.

Independently turn-off Refrigerator compartment

The separately closeable function can help to save the energy in a high degree.
